Program Initiatives

- Less hours in Theory Classes
 - Modules already covered by ICF competency removed
 - Increased reading and resource learning

Program Initiatives

- Increased Opportunities to Practice & Observe skilled Coaching
 - Coaching Competency Labs focus still focus on competencies & now include Trainer Demos * **Renamed**
 - Coach Development Labs run exactly like Mentor Coaching with no need to register ***New**

Program Initiatives

- Coach Supervision
 - Re-introducing to meet need for reflective practice
 - Will carry on through to Alumni

Program Initiatives

- Business Building (includes Portfolio work)
 - Coach Starter pack
 - Coaching agreement
 - Your signature offer
 - How to get your coaching practice online

Program Initiatives

○ FlipIt & Power Tools

- Place greater emphasis on this ICA Signature framework
- Add FlipIt to Coaching Power Tools course area position as its own course area
- Module on Reframing Perspectives merged with FlipIt Demo
- Each Power Tools class will include a FlipIt demo

Program Initiatives

○ Group Coaching Simplified

- Course incorporated into main program
- Will appear in Advanced schedule and run continuously
- One program outcome (Create Group Coaching Workshop Plan)

Program Initiatives

- Merry Xmas and Happy New Year
